SUNIL HOSAMANI

Contact no: +91 7406454520
Email: sunilhosamani11@gmail.com

CAREER OBJECTIVE:

To learn and function effectively in an organization where I would be able to utilize my capabilities to deliver the bottom line and, in the process, add value to the organization and my career.

WORK EXPERIENCE:

Having **3.9** Years of experience as a **QA engineer** in TEST YANTRA SOFTWARE SOLUTIONS INDIA PVT LTD experience in Mobile Application, Web application, Database testing and API testing. Involved in building QA process, End-To-End Test Management, Test Scenarios and cases documentation, Test Execution.

Skill Set used:

Manual & Automation Testing | JIRA | Postman | Agile | Mobile Testing (Android & iOS) | APPIUM | SQL | API | TestNG | CI/CD Jenkins

PROJECT DETAILS:

1) **Wealth Management Application (Banking Domain – SJP, UK)**
   Environment: Agile | Client: Intellect Design Arena, Chennai
   • Application for partners/advisors to manage client investments, track performance, and generate reports.
   • Validated functionalities including user access control, investment tracking, and report management.
   • Performed end-to-end testing covering Web and Database layers.
2) **E-Commerce Domain**
   • Tested both Web and Mobile platforms for functionality, usability, and compatibility.
   • Conducted API testing using Postman and validated end-user workflows.
3) **Media & Entertainment Application**
   Environment: Agile
   • Tested features such as Live TV, Podcasts, News, Games, and Galleries across Web and Mobile platforms.
   • Focused on content accuracy, performance, and UI/UX validation.

ROLES AND RESPONSIBILITES:

- Analyzed business requirements and functional specifications to develop effective test plans and test cases.
- Performed Manual and Automation Testing for Web, Mobile (Android/iOS), and API-based applications.
- Designed, executed, and maintained test scenarios and test scripts based on project requirements.
- Conducted functional, regression, integration, system, and compatibility testing across multiple environments.
- Identified, reported, and tracked bugs using tools like JIRA, ensuring timely resolution with development teams.
- Collaborated with cross-functional teams in Agile/Scrum environments to ensure product quality.
- Performed database validation using SQL queries to verify backend data integrity.
- Participated in daily stand-ups, sprint planning, and retrospective meetings.
- Maintained detailed test documentation and status reports for continuous QA visibility.
- Involved in mobile-specific testing, including UI, gesture, interruption, and installation testing.
- Supported continuous integration and deployment (CI/CD) pipelines using Jenkins.

SKILLS

MANUAL TESTING:

- Involved in testing activities across all phases of the Software Development Life Cycle (SDLC).
- Performed Smoke, Functional, Integration, and System Testing to ensure application stability and compliance.
- Executed Regression, Ad-hoc, and Exploratory Testing to validate fixes and identify unexpected behaviour.
- Experienced in defect tracking and management using JIRA, with strong understanding of the Bug Life Cycle.
- Skilled in writing, executing, and reviewing detailed test cases based on requirement specifications.
- Worked extensively with Xray test management tool integrated with JIRA for test case creation and execution.

AGILE/SCRUM EXPERIENCE:

- Strong working knowledge of Scrum methodology and Agile software development practices.
- Actively participated in Sprint Planning, Daily Stand-up (Scrum) Meetings, and Retrospective Meetings.
- Involved in Product Backlog Grooming and Bug Triage Meetings to prioritize and address issues effectively.
- Collaborated closely with cross-functional teams to ensure timely delivery of high-quality features.

MOBILE TESTING:

- Hands-on experience in testing Native, Web, and Hybrid mobile applications.
- Expertise in mobile-specific testing, including Installation Testing, Standby Testing, Gesture Testing, Interruption Testing, Orientation Testing, and Network Testing.
- Proficient in using ADB (Android Debug Bridge) commands for device and app-level testing activities.
- Tested applications across a wide range of Android and iOS devices to ensure cross-device compatibility and performance.

DATABASE & SQL:

- Proficient in writing SQL queries with a solid understanding of RDBMS concepts.
- Experienced in SQL operations including Grouping, Subqueries, and various Joins (INNER, LEFT, RIGHT, FULL).
- Good knowledge of DDL, DML, and DQL operations.

CORE JAVA:

- Strong understanding of Object-Oriented Programming (OOP) concepts.
- Knowledge of method overloading, method overriding, constructors, and exception handling.
- Good grasp of static vs. non-static context and the Java Collections Framework.

SELENIUM (WEB AUTOMATION):

- Good understanding of Selenium architecture and Selenium with Java.
- Hands-on experience with Locators, writing complex XPaths, and using Maven.
- Familiar with Page Object Model (POM) and TestNG framework for test execution and reporting.
- Experience in automating web applications and debugging test scripts for efficient test coverage.

API TESTING:

- Experienced in testing RESTful APIs using Postman.
- Familiar with HTTP methods, request/response validation, response time, and formats like JSON and XML.
- Good understanding of web services testing fundamentals.

APPIUM (MOBILE AUTOMATION):

- Solid understanding of Appium architecture and mobile test automation concepts.
- Experience in working with mobile locators and writing XPaths.
- Proficient in using Maven, implementing Page Object Model (POM), and working with Data-Driven Frameworks.

TOOLS & FRAMEWORKS:

- **JIRA** – Defect tracking & test management (with Xray integration)
- **Postman** – API Testing
- **Selenium, Appium** – Test Automation Tools
- **TestNG, Maven** – Automation Frameworks
- **Jenkins** – CI/CD Integration
- **CMS Tools** – Content Management Systems (for content validation & QA)
- **MoEngage** – Mobile engagement & push notification testing

PERSONAL DETAILS:

Name	: Sunil Hosamani
Father name	: Muttappa
Mother name	: Sushila
Address	: Rajiv Gandhi Nagar Santibastwad, Belagavi 590018
Date of birth	: 14/09/1997
Nationality	: Indian
Languages	: Kannada, Hindi, English, Konkani, Marathi

DECLARATION:

I do hereby declare above particulars of information and facts stated are true, correct complete to the best of my knowledge and belief.

Place: Bengaluru **Sunil Hosamani**
