Prasad N Kalaburgi

Software Development Engineer in Test (SDET) | Immediate Joiner

7899389012 | prasadkalaburgi99@gmail.com | **www.linkedin.com/in/prasad-n-kalaburgi-automation-tester** | Bangalore, India

Profile Summary

I have 3.11 years of experience in **Automation and Manual Testing**, specializing in **Selenium WebDriver** with the **Page Object Model** framework. I'm skilled in creating custom **XPath** locators, writing and executing test cases using **Java**, **TestNG**, and **WebDriver** methods, and performing **Data-Driven**, Cross-Browser, and Parallel Testing. My experience includes debugging, analyzing results, and converting manual test cases into automated sanity and regression suites. I'm familiar with all phases of **SDLC** and **STLC**, as well as **Functional, Non-Functional, and Regression Testing.** And I'm Well versed with **Test Documentation** (**Test Scenarios, Test Plan, Test Data, Test Cases & Defect Reports**).

I've also worked with **Maven** and **Jenkins** for build configuration, managed defects, and reported project status, risks, and issues through client and scrum calls. Additionally, I've prepared end-user guides, conducted demo sessions for stakeholders, and maintained Daily and **Weekly Status Reports**. I bring strong analytical, communication, and interpersonal skills with proven experience in client interaction and team collaboration.

Technical Skills

Languages**: Java, SQL** | Frameworks**: TestNG, Cucumber(BDD), POM**
Tools**: Selenium WebDriver, Postman, Git, Bitbucket, Maven, Jenkins, JIRA, Confluence**
IDE**: Eclipse** | Test Data**: Excel, Xml file** | Methodologies**: Agile (Scrum), SDLC, STLC**

Professional Experience

Zinier Technologies- SDET **July 2025 - Present**

Project : Viaero

- Performed manual testing of web applications by designing and executing test scenarios, test cases, and test data based on functional requirements.
- Developed and executed automated test scripts using **Selenium**, **TestNG**, and **POM**.
- Conducted API testing using Postman to validate endpoints, request/response payloads, headers, and status codes for RESTful services.

- Collaborated with developers and business analysts to identify, log, and track defects using JIRA, ensuring timely resolution.

Tata Consultancy Services – System Engineer **Dec 2021 – July 2025**

Project 1 : Staples (SDET) **Dec 2023 – July 2025**

- Developed and executed automated test scripts using **Selenium**, **TestNG**, and **POM**.
- Performed functional, **regression**, and **smoke** Testing for web-based applications.
- Collaborate with **QA and development teams** to understand requirements and create test cases.
- Participated in **Agile**/Scrum activities such as daily stand-ups, sprint planning, and retrospectives.
- Managed test cases and defect tracking using **JIRA**.
- Coordinated with developers and product teams to clarify requirements and report defects.
- Created and maintained detailed test documentation including test plans and reports.
- Analyse test results, **troubleshoot issues,** and ensure defect resolution.

Project 2 : Commonwealth Bank of Australia **Dec 2021 – Dec 2023**

- **Debugged** and enhanced automation scripts to ensure testing accuracy and reliability.
- Executed test cases, monitored test results, and conducted **defect analysis.**
- Conducted manual and automated testing across regression and UAT phases.
- Wrote and executed **SQL** queries for back-end validation and data integrity checks.
- Maintained comprehensive test artifacts including test matrices, **test plans**, and logs.
- Participated in **Agile ceremonies** and **collaborated across teams** to resolve issues efficiently.
- Promoted best practices in QA and contributed to automation framework improvements.

Certifications

- Selenium WebDriver with Java – https://ude.my/UC-1bdc7a12-d534-448b-bb66-7eb1b85c488
- Eclipse Debugging Techniques – https://ude.my/UC-1bdc7a12-d534-448b-bb66-7eb1b85c48f6

Education

- B.Tech - Computer Science, Reva University, Bangalore (2017–2021), CGPA: 7.2.
- Class 12 - PCMCs, AkRD College, Koppal(2015 - 2017), Percentage: 70%.
- Class 10 - Chaitanya Residencial School,Uttar Kannada(2014-2015), Percentage: 82%

Achievements

- On-the-Spot Award – Recognized for automation delivery under tight deadlines.
- Manager Appreciation – Acknowledged for collaboration and code quality.
