Anguraj Radhakrishnan

Senior Product Designer

I have been doing UX & Product designing for the past 4.8 years. I'm passionate about my profession, it's both my hobby & the work of my dream at the same time.

Experience

ZOHO | Product Designer | Chennai | August 2021 - October 2023 | 2.3 Years

Working closely with the Product team/Business Analyst in creating the features. Collaborated with the rest of the Design team to evolve and refine our design system, ensuring visual cohesion and engineering efficiency across all user touchpoints. Communicate design solutions to stakeholders. Also created brand guidelines for subsidiaries.

amber innovations Connecting The Dots | Junior Designer | Coimbatore | April 2019 - August 2021 | 2.5 Years

Interacted closely with the product owners & key stakeholders to understand requirements. Conducted user interviews to understand User experience & the pain points in the current system. Identified personas and created user journey mapping. Designed conceptual Models followed by low fidelity & high fidelity designs. Performed usability testing after every feature release.

Awards : Best Performer of the Year 2019

Freelancer | Coimbatore | January 2018 - February 2019 | 1.2 Years

Worked for multiple clients in creating logo design, Brochures, Social media post and Static websites

Certification

uxmint | Chennai | April 2018 - January 2019

UX Mint, is a Design Research Academy in Chennai, involved in User Experience Training & Consulting. It was started in 2014 by Kingsley who is passionate towards Human Computer Interaction & dreams to realise the utopian world by convergence of both physical and virtual realms.
