Sri Meenakshi government arts college for women(A)

08/2018 - 05/2021 Madurai-TamilNadu

Higher Secondary School Certificate(60%-65%)

Government girls higher secondary school

06/2017 - 05/2018

Secondary School Leaving Certificate(80%-85%)

Government girls higher secondary school

06/2015 - 05/2016

SKILLS

Testing Skills

Manual testing, Automation testing selenium, API testing

Developing Skills

Advanced: Java

Other Developing Skills

1.Html, 2.Css, 3.React, 4.Nodejs, 5.Javascript, 6.C

LANGUAGES

Tamil
Native

English
Fluent

ACADEMIC PROJECTS

1. OUTLIER DETECTION IN WIFI INDOOR LOCALIZATION USING CLUSTERING

01/2023 - 04/2023

Research project on Wi-Fi indoor localization using clustering

- Wireless networking technology refers to the strength of the Wi-Fi signal received by a device that supports Wi-Fi 7 technology. On the Other hand, Received Signal Strength (RSS) refers to the power level of the wireless signal as it is received by a device.

2. INTERNAL MARK CALCULATION

01/2021 - 04/2021

A comprehensive solution to manage internal marks evaluation

- Internal mark calculation system provides a comprehensive solution to managing internal mark evaluation. This project aims to create a system that will store all student details, the marks of each subject, and attendance.

ACCOMPLISHED

Course/Internship

Accomplished
 IITM Mini Course - Data Science Completed.
 Internship completed digital marketing from canvas solutions, Karnataka.
