K Nithyanandan

QA Engineer

9940200540 @nithyanandank89@gmail.com

Summary

Results-driven Manual Tester with 3 years of experience in software testing, test case execution, and defect management. Proficient in functional, regression, and usability testing to ensure high-quality software delivery. Recently upskilled in **Java** and **Selenium** to expand automation testing capabilities. Additionally, have a foundational understanding of Azure DevOps for test management and CI/CD integration. Eager to leverage my skills in both manual and automation testing to enhance software quality and efficiency.

Work Experience

Quality Assurance Analyst

2021 - 2024

Groupon Shared Services
