6263818085 / 7746887476

I am a seasoned UX-UI Designer with 4+ years of experience. I specialize in crafting user-friendly interfaces for web and mobile apps. My notable clients includes the list of Coutloot, Didi Go, and Vivdate Application. My UI-UX proficiency ensures precise, responsive designs aligned with project goals. I'm committed to growth and stay updated on AI advancements. I excel in client engagement, leading teams, and on-time project delivery. Proficient in diverse UI frameworks, I provide cutting-edge solutions tailored to user preferences. With meticulous attention to detail, I consistently exceed expectations.

Let's collaborate for something extraordinary!
