- Design Principles: Typography, Composition, Color Theory, Layout Design, Grids & Alignment.
- Leadership & Collaboration: Team Management, Creative Direction, Mentorship, Cross-Functional Collaboration.
- Project Management: Time Management, Deadline Management, Resource Allocation, Client Communication.

PROFESSIONAL EXPERIENCE

ARTWORKER | HOGARTH

Chennai (Contract) | Sep 24 – Dec 24

- Collaborated with design teams to prepare digital and print-ready artwork, ensuring high-quality output for marketing materials, brochures, packaging, advertisements, and websites.
- Utilized Adobe Creative Suite (Photoshop, Illustrator, InDesign) to create and edit layouts, illustrations, and graphics while adhering to brand guidelines.
- Converted rough drafts and design concepts into final production-ready artwork, ensuring accuracy and consistency across multiple platforms.

DESIGN SENIOR ANALYST | ACCENTURE

Mumbai (Contract) | Mar 24 – Aug 24

- Led the design and execution of high-impact visual content across multiple channels, including digital platforms, print materials, presentations, and internal communications for Accenture's global marketing initiatives.
- Collaborated with global marketing, branding, and innovation teams to conceptualize and develop visual strategies that align with Accenture's brand identity and business goals.
- Developed and maintained design systems, templates, and guidelines to ensure consistency across all internal and external communications.

SENIOR PRODUCTION ARTIST | RR DONNELLEY

Chennai (Full-time) | May 17 – Dec 22

- Led the production and preparation of print-ready artwork for high-volume, large-scale commercial printing projects, including catalogs, brochures, direct mail campaigns, and packaging.
- Collaborated closely with design teams, account managers, and clients to ensure that designs were executed accurately and on time, while adhering to strict brand guidelines and production specifications.
- Managed the prepress process, ensuring that all artwork files were formatted correctly for printing, including color correction, image optimization, and file troubleshooting for various printing methods (offset, digital, large format).
- Maintained a high level of attention to detail in reviewing proofs and ensuring that final designs met the highest standards of quality, consistency, and accuracy.
- Prepared final print files, including PDFs, TIFFs, and other formats, and ensured they were optimized for production with the correct resolution, color profiles, and trim marks.

SENIOR GRAPHIC DESIGNER | HI-FOCUS ELECTRONICS

Chennai (Full-time) | Jun 16 – Jan 17

- My work here is purely into 2D designing which includes Product Box Design, Pamphlets, Brochures, Leaflet, Logo, Banner, Email Ads, Branding, UI and also website maintenance.

GRAPHIC DESIGNER | KAMAK PRODUCTION

Chennai (Full-time) | Nov 14 – Apr 16

- Work with production team for Design assests.
