SUBITCHA P

Software Development Engineer in Test (SDET) | Selenium | API Testing | QA Specialist

 Chennai (Open to Relocation) | subhitchaa.p@gmail.com | +91 94431 80574 | linkedin.com/in/subitcha-p-228b6816b

PROFESSIONAL SUMMARY

Results-driven Software Development Engineer in Test (SDET) with 3 years of experience in automation, API validation, and security testing. Proven success in building scalable Selenium frameworks, developing robust API test suites using Postman & OpenAPI, and implementing security testing with ZAP. Awarded MVP (Q3 2024) for driving quality improvements. Currently expanding expertise in Azure, AppExchange automation, Gatling (performance testing), and cloud validation. Strong communicator, team player, and relentless bug hunter.

SKILLS

Automation & Testing Tools:

Selenium, Postman, ZAP, JIRA, TestNG, OpenAPI, AppExchange, Gatling

Programming Languages:

Java, JavaScript, C

Testing Approaches:

BDD (Gherkin), Regression, Schema-driven Testing, Contract Testing, Performance Testing

Cloud & APIs:

Azure Storage (learning), API Integration & Validation

Soft Skills:

Cross-team collaboration, Mentoring, Stakeholder Interaction

PROFESSIONAL EXPERIENCE

Software Development Engineer in Test (SDET) – Trimble

2022 – Present

- Developed Selenium automation frameworks from scratch, reducing regression cycle time by 50%.
- Built and maintained Postman-based API test suites, increasing API test coverage by 60%.
- Integrated OpenAPI contract validation, ensuring consistent interface behavior.
- Implemented ZAP security testing, identifying and reporting critical API vulnerabilities.
- Led a BDD-based initiative using Gherkin, improving collaboration between QA & dev teams.
- Created schema-driven CRUD test generators to automate repetitive validations.
- Worked on real-time transportation flow automation, ensuring high data integrity.
- Recognized with the MVP Award (Q3 2024) for outstanding automation contributions.
- Learning and exploring performance testing using Gatling to enhance load testing capabilities.
- Explored AppExchange automation for Salesforce platform validation.

ACHIEVEMENTS

- 🏆 MVP Award (Q3 2024) – for automation excellence
- 🔒 Implemented end-to-end security testing with ZAP
- 🤝 Spearheaded BDD adoption, improving cross-team collaboration

CERTIFICATIONS & LEARNING

- Microsoft Certified: Azure Fundamentals (AZ-900) – In Progress
- Web and Mobile Testing with Selenium – Coursera
- IT Automation with Python – Coursera
- Agile Project Management – Coursera
- Databases and SQL for Data Science – Coursera

EDUCATION

Bachelor of Engineering (B.E.) – Thiagarajar College Of Engineering

Graduated: 2022 | GPA: 9.23

Lakshmi School ISC – 95%
