PROFILE

I am a passionate Gen Z individual from India, an experienced UI/UX and Graphic Designer with a demonstrated history of working in the design industry with a warrior's spirit in a poet's soul, seeking a challenging UI/UX designer position to my skills to enhance user experiences and contribute to innovative design solutions. Collaboration and effective communication are at the core of my approach.

EXPERIENCE

Associate Senior UI Designer

Lollypop Design Studio

2022 - PRESENT

I actively contributed to various projects, including notable ones such as **Stanza Living, Pepsico and IMS Item Banking**. Additionally, I was actively involved in crafting compelling **Pitch UIs**, created impactful **logos & Icons** contributing to the development of visually appealing and **user-friendly interfaces**. Furthermore, my role extended to **project estimations, teaching in Lollypop Academy and hosting** Designathon'22 event.

Junior UI/UX Designer

Augray

JULY 2021 - SEPT 2022

- Designed UI/UX for various **AR applications**, games, and virtual environments understanding the unique challenges and considerations involved in designing for AR/VR.Worked On-site and achieved client satisfaction by delivering exceptional UI designs that met the project and business goals.
- Designed impactful and visually compelling logos, created spec documents, brand books, marketing and printing collaterals.

Freelance Graphic Design

The Dot Studios

JULY 2020 - SEPT 2022

Created print design, social media posts, edit videos, design flyers, logos, mockups, pamplets, brand books, package designs,etc.

Junior Graphic Designer & Graphic Design Intern

Galvanize

SEPT 2019 - JUNE 2021

Edited videos, designed landing pages, flyers, social media posts, ebooks,etc., for the students preparing for IELT, GRE, and TOEFL Exams
