EDUCATION

National Institute of Technology Delhi, Delhi Dec 2020 – July 2024
Bachelor of Technology, Electronics and Communication Engineering Current GPA: 7.13

Guru Nanak Public School, Delhi March 2020
Senior Secondary Education (12th) Board: CBSE

Holy Heart Public School, Delhi March 2018
Senior Secondary Education (10th) Board: CBSE

EXPERIENCE

Formee Holdings
Junior Frontend Web Developer Jan 2025 - Current
Tech Stack: HTML, CSS, JavaScript, React.js, Next.js, VS Code, SCSS, Typescript, NodeJs, GitLab

- Designed and implemented intuitive user interfaces for key functionalities, improving user experience and ensuring compatibility across devices.
- Optimized code to enhance performance and usability, reducing page load times and improving accessibility through tablet-compatible designs.
- Created reusable, modular components, streamlining development and cutting maintenance time by 20%.

Formee Holdings
Frontend Web Developer Intern Jun 2024 – Jan 2025
Tech Stack: HTML, CSS, JavaScript, React.js, Next.js, VS Code, SCSS, Typescript

- Developed the website's frontend, improving load times and responsiveness, which enhanced user engagement.
- Consolidated code by 30%, optimizing performance and reducing redundancies across the frontend.
- Resolved 95% of reported UI issues across various portals and contributed to building responsive websites with integrated features in collaboration with cross-functional teams.

Zevi.ai
Frontend Web Developer Intern Jan 2024 -May 2024
Tech Stack: HTML, CSS, JavaScript, React.js, VS Code, SCSS, Shopify, Typescript

- Improved UI efficiency by 30% by implementing reusable React components and optimizing the existing codebase.
- Boosted performance and scalability through the migration from Shopify Asset API to Shopify Theme Extension.
- Enhanced the user experience and resolved all production bugs in Zevi Search, ensuring a smooth and seamless functionality.

TECHNICAL SKILLS & STRENGTH

Programming Language: C, C++, Python, JavaScript, SQL, MATLAB
Web Development:

- **Front End:** HTML, CSS, Bootstrap, Tailwind CSS, React.js, Next.js, Typescript, SCSS
- **Back End**: Node.js, MongoDB, Express.js

Concepts: OOPs, DBMS, DSA, Computer Networks, Operating Systems
Operating Systems: Linux, Windows
Tools: Git, GitHub, GitLab
Soft Skills: Fast Learner, Team Player, Problem Solving, Time Management

PROJECTS

SoundCrafter | HTML, JavaScript, React.js, SCSS, IndexedDB, Git Link

- Built a full-stack sound mixer app with 6 core features—audio search, download, record, visualize, mix, and playback—boosting code modularity through reusable components.
- Developed a custom audio visualizer used across 3 modules, enhancing the user interface consistency and experience.
- Offloaded 100% of IndexedDB and network tasks to background threads using Web Workers, improving UI responsiveness by ~40%.

PeriodPedia | HTML, CSS, JavaScript, React.js, EmailJs, Git, VS Code Link

- Developed and launched an engaging React.js platform that empowered over 1,000 girls to gain comprehensive menstrual knowledge, resulting in a 50% increase in self-reported understanding and awareness.
- Curated meticulously researched articles, demystifying common menstrual queries.
- Masterfully addressed and resolved complex asynchronous task challenges with finesse

ACHIEVEMENTS AND LEADERSHIP

- An esteemed position of 24th in college coding as recognized by **GeeksforGeeks**.
- An outstanding achievement of earning a 3-star rating on **HackerRank** for proficiency in C++.
- Completed 500+ DS Algo challenges and excelled in a one-month Daily GFG Challenge.
- PhD Sector Head of Training and Placement Cell, NIT Delhi
