Education

- **IIT Roorkee** — Roorkee, UK
  B. Tech in Biosciences and Bioengineering
  Programming Coursework: Data structures and Algorithms, System Design — *Nov,2021- Sept,2025*
- **Sivananda Praveen Public School** — Yamuna Nagar, Haryana
  PCM (93.8%) — *2019-2020*

Projects

- **YC startup App** — Personal Project
  (Next.js, React, TypeScript)
  - Developed a full-stack platform for browsing and adding startup listings using Next.js with server-side rendering.
  - Implemented dynamic caching (ISR) and optimized bundle size by 32%, improving TTFB significantly.
  - Integrated Sanity CMS for structured content management and scalable data queries. Integrated Sanity CMS and Sentry to reduce error debugging time by 40%.
  - *Designed API routes and client-side caching patterns for a smoother browsing experience*
- **Food Recipe App** — Personal Project
  (React, JavaScript, Tailwind CSS)
  - Built a recipe search experience with category filters, dynamic routes, and saved-favorites functionality Designed a clean, responsive UI using Material UI components with custom Tailwind styling
  - Added local storage persistence for user preferences and faster subsequent loads.
  - Implemented features such as recipe details, YouTube video embedding, and custom favorites storage using **JavaScript**. Improved component performance by 25% using memoization & lazy loading.

Leadership

Additional Secretary — IITR Esports
July,2024 - May,2025

- Foster a positive and collaborative team culture while coordinating with teammates and juniors to ensure smooth execution of esports initiatives.
- Lead the growth of esports culture on campus by organizing tournaments and leagues and manage **live streaming and content creation** using tools like **OBS and vMix**.

Head of Events — E-Sangram (Sangram'24)
Jan 24 – April,24

- Oversee planning and execution of esports events introduced for the first time at Sangram, including **Valorant, BGMI, Clash Royale, and Call of Duty Mobile**.
- Coordinate teams, schedules, and on-ground operations to ensure smooth conduct of esports tournaments at IIT Roorkee's largest annual sports festival
