Pavani Chakali

QA Manual & Automation Engineer

pavani980105@gmail.com 7032217163 Hyderabad

https://www.linkedin.com/in/pavanic05

PERSONAL SUMMARY:

QA Manual & Playwright Automation Engineer with **4+ years** of experience in Manual and Automation testing across Life Insurance, Banking, and Healthcare domains. Expertise in **Playwright (JavaScript), API Testing, Git, Jenkins, Accessibility Testing, Tosca Automation, and Agile methodologies.** Skilled in test planning, requirement traceability matrix (RTM), defect lifecycle management, regression suite optimization, CI/CD pipelines, cross-browser testing, and parallel execution. Proven track record of mentoring teams, improving test coverage, and delivering high-quality releases.

SKILLS

Hard Skills

- **Playwright (JavaScript)**
- **Tosca (TCD, TDS, TQL, DEX)**
- **BDD** (Cucumber), TestNG, Maven, POM, Page Factory
- **API** Automation (Postman, REST API)
- **Accessibility Testing** (Axe, NVDA)
- SQL, Git/**GitHub** Actions, Jenkins Pipeline, Confluence, **JIRA** (Xray, Zephyr)
- Requirement Traceability Matrix (**RTM**), Functional Testing, Non-Functional Testing, **End-to-End** Testing, **Smoke** Testing, **Sanity** Testing, **Regression** Suite Optimization
- Selenium WebDriver (Java), Selenium Grid
- SDLC, STLC, CI/CD – **Jenkins** reports.

SOFT SKILLS

- Problem Solving & Root Cause Analysis
- Collaboration & Cross-Functional Teamwork
- Communication & Stakeholder Reporting
- Leadership & Mentoring Junior Engineers
- Time Management & Meeting Deadlines
- Adaptability in Agile Environments
- Attention to Detail & Quality Assurance Mindset

PROJECTS:

Wipro Technology **12/2021-Present**
Test Engineer *Hyderabad*

Project1
Life L70 Platforms:

- Validated **10M+ policy and claim records** during York mainframe modernization using Tosca Execution Lists and DEX.
- JCLS, files validation, Tosca – Requirements, **TCD, TDS**, Test Execution and Reports tracking, **TQL**
- Integrated Tosca automation with **CI/CD pipelines**, **DEX**
- Enhanced **smoke, sanity, regression suite optimization** with Tosca.
- Improved reusable Tosca modules and mentored 4 junior engineers
- Performed batch cycle simulations for nightly, weekly, month-end jobs.
- **Tools:** York Mainframe, Zephyr Jira, Tosca.

Project2
Bambi Sales and Services:

- Planned test strategy and created test data via Duck Creek, test case development and execution.
- Developed test scripts using **Playwright (JavaScript), Postman, BDD frameworks**, with **data-driven and keyword-driven testing.**
- Logged/tracked defects in JIRA, collaborated with developers, and prepared **test execution reports**.

- **API Automation:** Validated backend APIs using Playwright's API testing capabilities, integrating them into E2E flows for seamless UI and API sync.
- **Reusable Framework Utilities:** Built custom helper methods and reusable functions to eliminate code duplication and improve framework maintainability.
- Conducted **cross-browser testing** and accessibility validation using Axe and NVDA.
- Daily/weekly status reports, participated in stakeholder review meetings.
- **Tools:** Duck Creek, UCD, Xray Jira, SQL, Postman, Axe, NVDA.

Project3
Claims Management Platform:

- Test Planning, Test Execution, Walkthrough, Defect Management, Scrum Calls
- Designed and worked on **Playwright test suites** with a reusable **keyword-driven BDD framework**.
- Carried out dyn**amic element handling, file uploads, browser testing, and reporting**.
- Implemented **functional, non-functional, smoke, sanity, and regression testing** for parallel execution.
- Developed end-to-end automation tests using Playwright integrated with **Git version** control and **Jenkins CI pipeline.**
- Configured Jenkins jobs to execute automated test suites on code commits and generate reports.
- **Tools:** Pega, SAP, Jira, VS Code, Git, Jenkins

EDUCATION

Jawaharlal Nehru Technological University, Anantapur (JNTUA)

Bachelor of Technology (B.Tech) in Electronics & Communication Engineering Ravindra Engineering College for Women, Kurnool
Affiliated to | 2015 – 2019

CERTIFICATES

- Tricentis Tosca **AS1, AS2, TDS1, TDS2**
- **SQL, SDET, Software Testing 101**
- **Jira** Certified (Wipro Skill-Z Assessment)
- Udemy Certifications in **BDD & Tosca**

ACHEIVEMENTS

- Winner Circle **Awards and Badges**– Recognized for impactful project contributions
- **Team Lead** for Payment Module – Managed complete release cycle including production support
- Pleasure to work from the Team Lead and Manager, accompanied by a round of applause for delivering impactful contributions to projects.
- Improved **test coverage by 30%** through automation frameworks.
- Reduced **manual regression effort by 60%** via Playwright automation
