PRATIBHA PATLE

Detail-oriented and **proactive Quality Analyst with experience in Manual and Salesforce QA,** seeking a challenging role to leverage expertise in SaaS application testing, cloud marketplace integrations (AWS, GCP, Azure), and defect life cycle management.

pratibha.pwork@gmail.com | +91 9340964528 | LinkedIn

Profile Summary

- **QA Expertise:** Skilled Quality Analyst with 2+ years of experience in Manual and Salesforce QA, specializing in functional, regression, smoke, and UAT testing for SaaS products.
- **SaaS & Cloud Validation:** Experienced in testing AWS, GCP, and Azure marketplace integrations, ensuring accurate transactions, entitlement management, and cloud compliance.
- **Defect Management:** Proficient in defect life cycle management, logging and tracking issues in JIRA, collaborating with developers, and ensuring timely defect resolution.
- **Agile Collaboration:** Actively contributes to agile sprints by reviewing user stories, acceptance criteria, and supporting release readiness for smooth deployments.

Technical Skills

- **Testing & QA:** Manual Testing, Functional Testing, Regression Testing, Smoke Testing, UAT
- **Test Management:** Test Case Design, Test Execution, Defect Tracking, Bug Life Cycle Management
- **Tools & Platforms:** Salesforce, JIRA, Confluence, Git (basic)
- **Methodologies:** Agile, Scrum, SDLC
- **Domains:** SaaS Applications, Cloud Marketplaces

Core Competencies

- Manual & Salesforce QA Testing
- SaaS Application Validation
- Cloud Marketplace Integrations (AWS, GCP, Azure)
- Test Case Design & Execution
- Defect Life Cycle Management
- Regression, Functional, Smoke, and UAT Testing
- Agile & Scrum Collaboration

Work Experience

Labra.io – Quality Analyst (Manual QA / Salesforce QA) | Feb 2024 – Present

- **Test Case Design & Execution:** Designed and executed 200+ manual test cases across functional, regression, smoke, and UAT testing, significantly improving **test coverage** for Salesforce-based SaaS applications.
- **Salesforce Workflow Validation:** Led end-to-end testing of Salesforce workflows including onboarding, pricing, private offers, resale, entitlement management, and co-sell processes, ensuring **100% functional accuracy**.
- **Cloud Marketplace QA:** Validated AWS, GCP, and Azure marketplace integrations, preventing **data mismatches and transaction failures**, ensuring smooth cross-platform SaaS operations.
- **Defect Management & Collaboration:** Identified, logged, and tracked 50+ defects in JIRA, collaborating with developers on **root-cause analysis, fix verification, and timely resolution**.
- **Regression & Release Optimization:** Executed regression testing for every release cycle, reducing validation time by **20%** and preventing critical defects from reaching production.
- **Agile & Process Contribution:** Actively contributed to agile sprint cycles by reviewing user stories, acceptance criteria, and supporting **release readiness and smooth deployment sign-offs**.

Key Projects:

- **Labra Marketplace**: Tested cloud marketplace automation platform for end-to-end SaaS product selling; validated pricing logic, private offers, resale workflows, and entitlement flows for AWS marketplace compliance.
- **Labra Co-sell:** Supported QA for a co-selling automation solution integrating CRM systems with hyperscaler partner programs; validated opportunity synchronization, partner data flow, and deal lifecycle tracking across platforms.

Certifications

- Salesforce Fundamentals – Salesforce Trailhead
- Manual Testing and QA Fundamentals
- Java, Manual Testing, and SQL – QSpiders

Education

- **Master of Business Administration (MBA)** – HR & IT | Arihant College | 2020 – 2024
- **Bachelor of Technology (B.Tech)** – Information Technology | Swami Vivekananda College of Engineering | 2015 – 2019
