Professional Experience_

Senior HR Executive
Vecura Wellness Clinic | Feb 2025 – Present

- Working in a corporate HR role with focus on end-to-end recruitment and basic people initiatives.
- Handling 90% recruitment and 10% employee engagement / people-related responsibilities.
- Hiring for roles such as Sales Consultants, Branch Managers, Consultant Doctors (with sales background) and other operational positions.
- Coordinating with management and branch leaders to understand manpower requirements and hiring priorities.
- Participating in discussions related to workforce needs and team planning, gaining exposure to how business and HR align.
- Supporting People & Culture efforts by maintaining clear communication with staff, helping address concerns, and contributing to a positive work environment.
- Assisting in onboarding and induction support for selected candidates (basic orientation, documentation, introduction to teams).

HR Executive
RapidCare Transcription Pvt Ltd | Feb 2024 – Jan 2025

- Managed end-to-end recruitment for both technical and non-technical roles, including:
- React.js, Python, DevOps, Full Stack Interns
- MRR, MT, AR, Medical Coding roles
- Handled sourcing, screening, interview coordination, salary negotiation, offer rollout and joining follow-up.
- Worked closely with hiring managers and interview panels to ensure smooth selection processes.

- Prepared monthly PowerPoint presentations using AI tools and MS PowerPoint to present recruitment status, joining updates and hiring metrics to management.
- Supported HR operations, including coordination for payroll inputs and employee records.
- Assisted in new-joiner induction and basic orientation, giving early exposure to L&D-type activities (introducing processes, policies and company culture).
- Engaged with employees through simple engagement initiatives and ongoing communication.

HR Recruiter
WhozNxt Pvt Ltd | Aug 2022 – Sep 2023

- Worked as a recruiter handling a variety of IT and Non-IT roles for different clients.
- Performed sourcing, screening, shortlisting and interview scheduling based on client requirements.
- Maintained strong candidate communication, ensuring a positive experience throughout the hiring cycle.
- Coordinated with clients/hiring managers to ensure clarity on job expectations and profile fit

IT Recruiter
Priffy Pvt Ltd | Aug 2021 – Aug 2022

- Dedicated recruiter for Virtusa, handling hiring for IT roles, including:
- Full Stack Developers
- Backend Developers (Python, Java – Spring Boot, Microservices)
- Automation Testers (Selenium)
- DevOps Engineers (AWS)
- Managed multiple interview rounds, from screening to client interviews and final HR discussions.
- Handled offer management and follow-up until joining.
- Participated in discussions with client-side stakeholders to understand role expectations and improve candidate quality.

Technical Support
Techdale Inc | Jan 2021 – Jul 2021

- Provided remote and phone-based technical support to customers.
- Troubleshooted user issues, guided them through solutions and documented key cases.
- Built strong communication, patience and problem-solving skills, which support my HR & people interactions today.

CERTIFICATIONS / LEARNING INTEREST

Learning L&D, facilitation and corporate training through online courses.
