ABOUT ME

Passionate and curious learner with a background in Forensic Science and a strong interest in Digital Marketing, particularly SEO. Currently building a solid understanding of SEO fundamentals such as keyword research, on-page optimization, and search engine algorithms through self-study. Looking for an internship opportunity where I can apply my analytical thinking, continue learning, and grow into a skilled digital marketer.

EDUCATION

2022-2025
GTN Arts College

Bachelor of Forensic Science

Completed a comprehensive undergraduate program covering forensic biology, toxicology, chemistry, and criminal psychology, with an emphasis on the scientific analysis of evidence and legal procedures. Gained practical skills through laboratory work, mock crime scene investigations, and case study evaluations. Carried out a final year research project titled "To Study the Influence of Physical Activity in Normal Handwriting," which explored the effects of physical exertion on handwriting characteristics relevant to forensic document examin ation.
