Internship Experience

Company Name: RAJ EXIM

Designation: Digital Marketing & Business Development (Trade Analyst) Intern

Location: Madurai

Duration : 2nd July–Present

Summary of internship:

As a Digital Marketing & Business Development (Trade Analyst) Intern, I worked on export-import market research, lead generation, and digital promotions. I interpreted trade data, created incubation files, and conducted HS code analysis to identify export opportunities. I managed product listings on India Mart and Alibaba, created promotional content using Canva, and supported SEO and ad campaigns via Google and Meta. I also handled WordPress updates, assessed international leads, and built dashboards in Tableau, gaining strong exposure to trade workflows and digital marketing tools.
