SANDHEEB SB

CAREER OBJECTIVE

As a recent MBA graduate specializing in Human Resources and Business Analytics, I am eager to begin my career in HR by applying my academic knowledge and internship experience. With strong communication skills, problem-solving ability, and proficiency in HR tools and data analysis, I aim to contribute to recruitment, employee engagement, and organizational development while continuously learning and growing in the HR domain.

TECHNICAL TOOLS

* Scrum, Kanban
* BRD, FRD Documentation
* Jira
* MS Office
* Tableau
* MS Excel
* SQL
* Agile Methodologies
* Manual Testing

EXPERIENCE

HR Intern: Nxtlogic solutions, Coimbatore – 3 months

- Assisted in the **end-to-end recruitment process** including sourcing, screening, and shortlisting candidates for multiple roles.
- Supported the HR team in **onboarding activities** by preparing offer letters and documentation, ensuring a smooth joining process.
- Contributed to an **employee retention study project**, analyzing feedback and suggesting strategies to improve engagement.
- Maintained and updated **employee records** with accuracy, ensuring compliance with company policies.
