Career Journey

Work Experience

Careernet Technologies:

IT Recruiter, (March - 2024 to Till date)

An Associate Consultant in Recruitment supports the end-to-end hiring cycle — sourcing, screening, coordination, and client support — while building expertise to grow into a full consultant role.

- Utilised job portals (Naukri, LinkedIn), social media, and professional networks to identify and engage potential candidates.
- Interact with the POC and gather details on requirements raised by the business.
- Source candidates through job portals (Naukri, LinkedIn), social media, networking, and referrals.
- Create and post job descriptions on relevant platforms.
- Coordinate interviews, assessments, and feedback sessions between candidates and clients.
- Support salary negotiations, offer rollouts, onboarding, and post-offer engagement.
- Maintain candidate records in internal databases.
- Generate daily/weekly reports on sourcing, interviews, and closures.
- Share shortlisted profiles with clients and follow up for feedback.
- Stay updated on recruitment trends, apply advanced sourcing techniques (Boolean/X-ray), and assist senior consultants in strategic hiring initiatives.
- Support senior team members in strategic hiring initiatives.

Project:

- Employee Trust as a mediator of the relationship between Inclusive Leadership and Organisational Citizenship Behaviour

---

Talent Acquisition - Internship

Lakshmi Corporate Service – Coimbatore July 2022 - August 2022

- Actively engaged in various critical tasks related to the maintenance of employee records and HR operations.
- A significant portion of my duties involved supporting the recruitment process, including tasks such as sourcing candidates, conducting initial screenings, scheduling phone interviews, coordinating interview schedules, and assisting with HR interviews.
- Furthermore, I played a pivotal role in streamlining the onboarding process for new hires.
- Additionally, I contributed to the upkeep and accuracy of the organization's structural chart, ensuring it remained accurate and up-to-date.
