PROFESSIONAL SUMMARY

- Experienced HR professional with 9+ years of expertise in **end-to-end recruitment** and core HR operations across **IT, Non-IT, medical billing, and ePublishing domains**. Proficient in talent acquisition for diverse roles including **Web/Mobile Development, SAP (Functional & Technical), Salesforce, Oracle Techno-Functional Consultant, Testing, and UI/UX**. Skilled in **HRMS integration** and implementation, PMS administration, policy formulation, and driving employee engagement initiatives.
- Proven ability to drive **Employee Connect** sessions, Rewards & Recognition programs, and appraisal processes, ensuring strong manager collaboration and employee motivation.
- Recognized for independently managing comprehensive HR functions, streamlining processes through digital tools, and supporting leadership teams in building a high-performance **culture**.

PROFESSIONAL EXPERIENCE

Deant Publishing Services Private Limited
People & Culture - Lead

Aug 2025 - Oct 2025

- Managed a headcount of 230+ employees across Chennai and Pondicherry locations.
- Oversaw the **end-to-end recruitment cycle** - understanding requirements, sourcing, screening, interviewing, offer negotiation, and onboarding.
- Created and maintained weekly HR dashboards and trackers to report workforce status, open positions, and attrition analytics to senior management.
- Validated attendance and leave data and coordinated with the finance team to ensure accurate payroll and LOP (Loss of Pay) processing.

- Administered **HRMS(GreytHR) systems** efficiently for managing employee lifecycle — from onboarding, leave, and attendance to separation formalities.

- Designed and implemented **employee engagement programs**, team-building activities, and **rewards & recognition** initiatives to enhance employee morale and retention.

- Partnered with department heads to identify **training** needs and organize learning & development sessions for **upskilling** employees.

- Played a key role in policy creation, communication, and compliance with company and statutory HR standards.

- Conducted employee **feedback surveys** and pulse checks to assess engagement and drive culture improvement actions.

- Developed strategic action plans to optimize workload management, improve internal HR processes, and support organizational growth.

- Acted as a point of contact for **grievance handling** and conflict resolution, ensuring timely and empathetic employee support.

- Supported management decision-making by providing HR insights, data analytics, and recommendations on **workforce planning.**

O Clock Software Private Limited Jan 2022 - July 2025

Senior HR Executive

Recruitment & Talent Acquisition (60%)

- Partner with team heads to understand hiring needs and create job descriptions in alignment with defined SLAs.
- Source and engage candidates through Naukri, LinkedIn, Indeed, and referrals; conduct screenings and interviews to shortlist quality candidates - ensuring the right talent at the right time with the right skill set.
- Manage offer rollouts, salary negotiations, and end-to-end onboarding to deliver a smooth joining experience, consistently adhering to established processes.
- Recruited roles across Web & Mobile Development, Salesforce, UI/UX, QA, and Freshers.
- Web & Mobile Roles: Frontend (React.js, Angular), Backend (Laravel, Node.js), Full Stack, CMS/E-commerce (WordPress, Shopify, Magento), Mobile (Android, iOS, Flutter, React Native), QA/Testers.
- ERP & Cloud Roles: **Salesforce** (Developers PD1/PD2, Admins), **Oracle** & **SAP** - Functional (**HCM**, CRM, FI, SD) & Technical (BASIS, HANA, ABAP).

HR Generalist & Employee Experience (40%)

- Conduct employee onboarding, induction, and documentation; manage HRMS portals for attendance, leaves, and monthly reports.
- Drive **training and development** for freshers and provide regular progress updates to managers.
- Handle employee engagement initiatives, grievance resolution, and performance support.
- Coordinate **Accenture** BGV onboarding and liaise with vendors for smooth processes.
- Perform monthly audits for **staff augmentation** to ensure compliance and accuracy.
- Implement and maintain HR policies, oversee payroll coordination, vendor management, and admin operations (security, housekeeping, office support).
- Redesigned company website and profile; leveraged Beach resources to develop and optimize HRMS and PMS systems for efficient HR management.

HRBP Focus:

- Act as a strategic partner to managers, sharing insights from employee connects, engagement feedback, and performance data.
- Support managers in appraisal ratings, succession planning, and team development.
- Drive initiatives to enhance employee motivation, retention, and organizational culture.

Deanta Publishing Service Private Limited Senior HR Executive — Mar 2017 - Feb 2020

- Spearheaded the digital HR transformation by acting as the **primary POC** with the **GreytHR** team to **implement** and **integrate** the HRMS, streamlining organizational structure, Admin, ESS/MSS, onboarding and offboarding workflows, employee data management, payroll, leave, and attendance processes.
- Introduced documentation policies, entry/exit trackers, and LOP trackers, enhancing transparency, accountability, and payroll accuracy.
- Managed **end-to-end recruitment** operations, leveraging job portals and social media to attract and onboard top talent efficiently.
- Conducted **employee connect** sessions, addressing grievances and ensuring a positive work environment.
- Organized **employee engagement** initiatives including Fun Fridays, Minute Games, Corporate Team Outings, and Annual Day celebrations, boosting morale and team cohesion.
- Regularly shared weekly and monthly **HR reports** with department heads to support strategic decision-making.
- Oversaw **vendor management**, security, housekeeping, and administrative operations, ensuring smooth facility and office management.

e-CareIndiaPrivateLimited Jun 2015 - Mar 2017
HR Executive

- Managed end-to-end HR responsibilities including recruitment coordination, onboarding, offboarding, background verification, and payroll.
- Handled generalist tasks such as filing, attendance & leave management, and grievance resolution.
- Organized staff meetings and corporate events to improve team culture and morale.
- Supported campus recruitment and bulk hiring initiatives, ensuring smooth execution.
- Handled end-to-end Background Verification **(BGV)** process, took necessary actions on discrepancies, and maintained proper documentation.

Green Leaf Dimensions Solution Private Limited Dec 2014 - May 2015
Trainee HR

- Learned and handled core HR activities from the ground up.
- Managed onboarding and offboarding, including issuing HR letters.
- Coordinated interviews and ensured timely follow-ups.
- Recognized sales achievements and issued spot cash rewards in a BPO setup.
- Managed leave and attendance tracking for smooth payroll processing.
- Quickly adapted to diverse HR functions, building a strong foundation for career growth.

Macmillan Private Limited & Premedia Global Private Limited Jun 2012 - Dec 2014

Associate & Executive

- Worked as an HTML & XML Coder, focusing on content injection and formatting. Primarily handled proofreading to ensure accuracy and consistency across projects.
