PROFESSIONAL SUMMARY

Results-driven Sales and Business Development professional with 5+years of experience in B2B and B2C sales, account management, and technology consulting. Proven track record of generating $5.7M+ in revenue, expanding global markets, and managing enterprise-level client relationships across India, the US, Europe, and Africa.

Expert in Analytics &BI solutions (Tableau, Power BI), ERP & CRM platforms (SAP, Salesforce, HubSpot, Zoho), and Cloud technologies (AWS, Azure, SAP HANA). Strong in consultative selling, sales forecasting, stakeholder management, and building high-performing sales teams to drive predictable revenue growth.

PROFESSIONAL EXPERIENCE

Sales Manager – Analytics &Business Intelligence Solutions

AionTech Solution Limited | Bengaluru, India
April 2025 – Present

- Led end-to-end sales Tableau and Microsoft Power BI solutions across the Indian market, including license reselling, upselling, and cross-selling for15+keyaccounts.
- Managed and mentored an SDR team, providing guidance on outreach strategy, call pitches, email campaigns, and LinkedIn prospecting to improve lead quality and conversions.
- Owned the complete sales lifecycle: discovery, demo scheduling, requirement validation, proposal submission, negotiation, and deal closure.
- Conducted detailed requirement analysis to align BI solutions with client data sources, databases, cloud/on-premise environments, and integration needs.
- Collaborated closely with Tableau Account Executives (AEs) to receive qualified leads and improve SDR conversion rates.
- Achieved quarterly revenue targets through pipeline building, weekly pipeline reviews, accurate forecasting, and CRM-driven follow-ups.
- Built and tracked sales performance using Tableau/Power BI dashboards, MS reports, and structured sales trackers.
- Engaged CXO-level stakeholders through monthly business review meetings to gather feedback, identify upsell opportunities, and strengthen long-term relationships.
- Coordinated with internal technical teams to validate solution feasibility, deployment models, sizing, and implementation readiness.
- Improved customer retention and renewals through proactive engagement, prioritization of requirements, and relationship management.

Senior Account Manager

AmagoPro Consulting Private Limited
May 2024 – January 2025

- Drove business development across Kenya, Zambia, the US, and Europe, generating $21Mip

- Drove business development across Kenya, Zambia, the US, and Europe, generating $2.1M+ revenue and exceeding annual sales targets.
- Built and maintained strong client relationships, enabling repeat business and long-term strategic partnerships.
- Sold CRM platforms (Salesforce, HubSpot, Zoho) to enterprise clients in the US and Europe.
- Led cloud solution sales including AWS, Microsoft Azure, and SAP HANA.
- Successfully sold SAP Business One (SAP B1) and Odoo ERP solutions to mid-sized and growing enterprises.
- Delivered consultative sales engagements by understanding business challenges and presenting tailored value propositions.
- Developed detailed RFPs, defining ERP scope, key modules, process mapping, and implementation requirements.
- Translated client requirements into department-level user stories and designed forecasting-focused dashboards to support proactive decision-making.
- Leveraged Salesforce CRM and analytics to track performance, optimize sales processes, and improve revenue predictability.
- Monitored market trends and competitor activity to strategically position solutions.

Business Development & Account Manager

GyanSys Inc.
June 2022 – May 2024

- Generated $3.6M in revenue through strategic business development across US, APAC, and European markets.
- Led a team of 4 members, driving account mining initiatives and identifying 200+ high-potential accounts from a database of 1,000+ leads.
- Engaged 450+ senior decision-makers (CIOs, CTOs, Directors, Heads of IT) through targeted outreach and consultative selling.
- Sold enterprise solutions across SAP, Microsoft, and Salesforce ecosystems.
- Expanded key accounts through cross-selling and upselling, improving service adoption and client retention.
- Worked closely with enterprise clients on SAP PS implementations and S/4 HANA migrations.
- Led staff augmentation sales, scaling project teams and increasing deployed resources based on client demand.
- Negotiated and closed staffing and consulting contracts, ensuring optimal revenue and resource utilization.
- Conducted performance appraisals for deployed resources, including feedback collection, evaluations, and salary recommendations.
- Organized monthly review meetings with client managers and delivery teams to track progress and address risks.
- Prepared and presented weekly sales pipeline, forecast, and account reports to senior leadership.

Business Development Associate

BYJU'S
January 2020 – December 2021

- Achieved INR 1,00,000+ monthly revenue, exceeding sales targets by 9%.
- Managed client acquisition, conducted sales presentations, and closed deals with new and existing customers.
- Used LeadSquared CRM to track leads, manage follow-ups, and improve conversion rates.
- Identified upsell opportunities to maximize customer lifetime value.

Artificial Intelligence Engineer

Wipro
August 2019 – January 2020

- Worked on AI solutions within GIS processes, focusing on 3D and 4D video data labeling.
- Ensured high data accuracy through peer reviews and cross-verification before ML classifier submission.
- Processed and transformed raw datasets to improve machine learning model accuracy.
